JONATHAN FOX, M.D.

ORTHOPEDIC SURGERY

A board-certified, fellowship-trained orthopedic specialist, Dr. Fox takes great pride in keeping current on the latest innovations in orthopedic surgery. He was awarded an AO international fellowship in West Germany to gain more intensive study and experience in fracture treatment and adult reconstructive surgery. Since then, Dr. Fox has specialized in the treatment of arthritic conditions and sports-related injuries, with a focus on total joint replacement surgeries of the hip, knee, shoulder and ankle, as well as arthroscopic surgery of the knee and shoulder. He is medical director and founder of Desert Orthopedic Specialists, a division of OSNA, PLLC. Providing excellent patient care is the top priority for Dr. Fox and his staff, as well as providing extensive education regarding orthopedic conditions, helping patients achieve their goal of returning to regular activities.

Dr. Fox provides world-class patient care at Scottsdale Healthcare.
